

Learning the Names of Allah Activity- Al Khaaliq

You will need:

Some foam cups

Cotton balls or soil

Printable labels (See attached)

Some seeds please check for fast growing!

1. Allow students to colour label and put their names on them, cut and paste onto foam cups.
2. Allow student (or you may do it yourself to save time) to place a cotton ball OR soil in each cup.
3. Allow student to place their seed inside soil (use spoons) OR Cotton ball method and add water.

Options include:

1. Giving the students the seed to take home and bring back to show when it sprouts! OR
2. Teacher can take and nurture until it sprouts and hand it back at the end of term to students!
